

EUROPEAN ERA

ERASMUS+ INTERNSHIPS IN MÁLAGA

We build careers and deploy talent

EUROPEANERA 

Your perfect partner in the quest for European internships

**SIMPLY CONTACT US,
AND WE'LL TAKE OVER**

European Era is a distinguished educational organisation with **30 years of experience** in managing and implementing internships, in addition to offering a variety of training courses **in Málaga, Spain**

This gives the participants an opportunity to immerse themselves in another culture, improve their foreign language skills, learn new skills, work in a different country, and enhance their resume.

Quality Service

We pride ourselves on providing quality service. One of our core competences is ensuring all students get an internship that is of **high quality and related to their vocational field of study.**

Spanish Experience

Job culture varies from country to country, so getting work experience in Spain will help participants to acquire **intercultural skills** which will be extremely valuable **for personal and professional development.**

Verified Companies

We will provide **the company that is best suited to each student's** previous professional experience and to their level of English/Spanish language. The participants will carry out their internship in a company of a particular sector that is part of the European Era partner company and whose services have been verified previously.

Progress monitoring

We organise **regular meetings and individual interviews** with participants in order to properly monitor the progress of the internship.

PRE ARRIVAL

We ensure successful internships

PRE ARRIVAL ROADMAP

At European Era, we focus on ensuring a **successful internship** for each participant. Our detailed approach to coordinating group mobility ensures that all aspects are thoroughly reviewed and approved before participants arrival.

Dedicating significant resources to ensure that everything is properly organised. To enable this process, we kindly ask participating organisations to provide the following information:

Erasmus+ Project Reference Number

This unique identifier allows us to align our processes with the specific Erasmus+ project, ensuring seamless **integration and compliance.**

Check-In and Check- Out Dates

Accurate scheduling is key to a smooth experience. Knowing the arrival and departure dates enables us to **make necessary arrangements** and ensure participants' comfort throughout their stay.

Flight Information:

To ensure timely reception and departure, **we request arrival and departure flight details.**

Student Information

We value the individuality of each participant. To tailor the internship experience, **we require personal details, area of study, course details, and academic level.** Additionally, providing CVs helps us match participants with suitable placements.

Individual Files

In addition to all of this, we will send a link to all students to gather more information about their professional profiles. **The more detailed information we obtain from each student, the easier it will be for us to find the suitable company based on their skills.**
