**INTERNATIONAL
MOBILITY SERVICES**

International Mobility

EUROPEAN ERA is an educational organisation specialising in International mobility with over 30 years educational experience. The company is located in Malaga, a lovely seaside resort right on the Mediterranean sea. In the framework of Erasmus + and other mobility programmes, we host VET students, staff, graduates, youth and professionals. Students gain work practice and experience, meet new people, explore different cultures and feel the advantage of International mobility. EUROPEAN ERA provides a comprehensive mobility service including consulting, arranging of the mobility programme, finding Internships as well as organisation of logistic and other practical issues. We can help write projects from scratch, manage projects and help with certification. Malaga meets you with many cultural attractions, entertainment and friendly local people. Do not miss a chance to experience mobility benefits in Spain as well as our sandy beaches, water sports and much more.

Our Team

- At European ERA we are a multicultural and professional team of experts with experience in European mobility in different countries.
- Our consultants have a broad range of skills including: strategic planning, project management, corporate relations, tourism and educational management.
- We use our unique know-how to guide and advise you in preparing your mobility, ensuring a proper work environment for all participants, and improving your mobility experience.
- We are involved in the project writing and implementation of European standards once the mobility is in progress.
- We also deal with the administration field helping the host companies to fulfill all required documents as well as accompanying the participants during their stay in Malaga.

Why Malaga?

- Malaga is a large city in the South of Spain, located directly on the sea in the heart of Andalusia and capital of the Malaga Province.
- Malaga airport is the third largest airport in Spain and has direct access with many European cities.
- 320 days of sunshine each year making it the sunniest place in Spain with annual average temperatures of 18.5 c
- It is a major tourist destination with its sandy beaches, water sports, rich architectural history, Mediterranean cuisine and friendly local people
- It is the birthplace of famous Spanish artist Pablo Picasso
- It is considered the most cosmopolitan city in the South of Spain.
- It offers excellent work place opportunities.

Internships

- European Era is a modern intermediary company whose staff have wide experience in managing and implementing internships.
- We pride ourselves on providing a quality service. One of our core competences is ensuring all students get an internship that is of high quality and related to their vocational field of study.
- Job culture varies from country to country so getting work experience in Spain will help participants to acquire intercultural skills which will be extremely valuable for future personal and professional development.
- We will research and choose the company that is best suited to each student previous professional experience and to their level of English/Spanish language.
- The participant will carry out his/her internship in a company of a particular sector that is part of the European Era database, and therefore, that it has been previously selected by the staff of the same association, who took on the task to verify the quality of services and the way of how these are being offered, the professionalism of the staff and of course the volume and quality of work that companies are able to offer.
- We organise regular meetings and individual interviews with participants in order to monitor properly the progress of the internship, and resolving in this way any problem that may arise.
- All vocational areas can be catered for: *Accounting, Administration, Business Management, Marketing, Sales, Human Resources, Tourism/Hotels, Cookery/Chefing, Design, Logistics, Engineering (mechanical, electrical, process, etc.), Logistics, IT, Journalism, Agriculture, Childcare, Special Education, Animal Care, Hairdressing, Beauty, Gym Instruction, Sports and Leisure, Nursing, Healthcare, Carpentry, Construction, Fashion, Retail and much more.*
- Following completion of all students will get mobility certificates certifying their internship.

Accommodation & Transport

European Era prides itself on the quality of its accommodation. To make your experience as comfortable as possible, European Era offers you three different accommodation options:

1. Homestay (Host Families)

Staying with the host families is a preferred accommodation option with many of our students.

- Our host family accommodation will truly be your home away from home.
- Our host families are not only there to share their homes but also to integrate the students into their families.
- Our hosts are carefully vetted to ensure they offer the level of service and support that our students require.
- All students are provided with high quality accommodation, meals and other services.
- All of our host family centres are located within local transport access to the city centre.
- Host families typically cook meals for their guests in the traditional ways of the country, giving you the chance to get to know the food, the culture and the Spanish customs.
