WHY EUROPEAN ERA

European Era is a distinguished educational organization with over **30 years** of educational experience. We provide a comprehensive service that will enable you to get an excellent internship. The company works with many of Spain's top industries, offering many internship opportunities.

We will find a suitable internship for you, no matter your field of interest or level of experience. Our team will organize consultations to understand your professional needs and ensure that you achieve your objectives during your internship placement.

Internship Process

A European Era professional will support you throughout the process, ensuring you achieve your personal and professional objectives.

Internships in Spain may be paid, however, participants generally require more experience and qualifications. Unpaid internships are shorter and often more flexible regarding qualifications and experience.

STEP 1 - Internship preparation

- First, we will help you create your new resume and LinkedIn profile, preparing you for upcoming internship interviews.

STEP 2 - Host company sourcing

- Next, we will discuss your case with potential host companies in your industry and find the best-matching placement opportunities for you.

STEP 3 - Host company interview

- Then, we will organize your internship interview where you will get to meet your potential host company.

STEP 4 - Placement confirmation

- After your interview, if you and the host company agree to proceed, we will finalize your placement and then you begin!
